

Beautiful Face

I would crawl across town I would lay at your door
Fall at your feet and you'd ask me for more
If that's not enough I would do it on glass
Just for a glimpse of that big beautiful face

I would swallow nails, I would gargle on rocks
Challenge Mike Tyson, swim a Scottish Loch
If that's not enough well I don't mind a bits
Say you would show me those big beautiful eyes

Shakespeare wrote poetry, Van Gogh cut off his ear.
Well if that's what it takes to show you I'd do it my dear

Would you let me in if I did all of this
Would you give me it all or just give me a kiss
I'd thank my lucky stars and be glad for my luck
Just for a chance at a long, hard, slow, look at your face.
